

Fall in the price of gas, and world peace

MAKE IT HAPPEN!

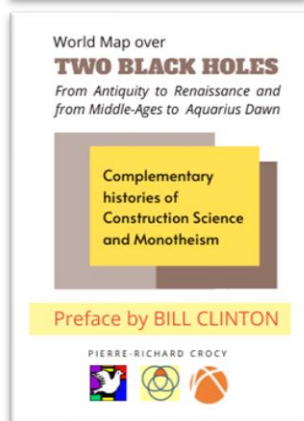

Wars come from trafficking¹, not the other way around²: road map for **change**³ over civilizations⁴!

The French, Gordian knot of prejudices

Against ratio and for psychology, with the alibi of the care due to others

Pierre-Richard Crocy, Google-Play 2023, 50 pages, 15 \$

World Map over two black holes

From Antiquity to Renaissance
and from Middle-Ages to Aquarius Dawn

Pierre-Richard Crocy, Google-Play 2023, 60 pages, 14 \$

Escape from the void of silence

First and last Gazprom contract ever signed by a private individual with Vladimir Putin

Maria Cozma, Junimea⁵ 2005, 470 pages, 25 \$

A Real Eye-opener⁶ Bundle offer

¹ Dissociated teaching of PMA (Principle of Mutual Actions) from realities, in France, by generalists who aggravate ignorance's propensity to **fight against** what is opposed to its will.

² « Do you know what the **impact of this gas price cut on sugar** was, and what it meant for millions of children? That's the first thing I figured out, she said, in tears. » (*Escape from the void of silence, Maria Cozma, Junimea 2005*)

³ From Pareto's **general policy** to Putin's **international relations of mutual interest**

⁴ The mission of a worthy school is to **warn** from lukewarm school, **edify** about the history of construction science since Cheops, **and pacify** through common essence of monotheist spirituality.

⁵ Original Romanian version 2005; French version 2011; English version to be published.

⁶ Pierre and Maria's meeting transcends mythological warning of fall from Charybdis into Scylla
